EXTENSION OF THE FOURTH COUNTRY PROGRAMME FOR RWANDA

Note by the Administrator

1. The fourth country programme for Rwanda covers the period from 1987 to 1991. The Government of Rwanda has requested a one-year extension of the fourth country programme so that the new programme can take into consideration the new structural adjustment policy, the future action programme relating to the social dimensions of this adjustment and the future action programme for the resettlement of Rwandese refugees on their return. The main thrust will continue to be strengthening of capacity in economic management, expansion of the productive base, development of human resources and development of transport links.

2. The Administrator wishes to inform the Council that he has approved the extension of the fourth country programme for Rwanda for a period of one year beginning 1 January 1992.
